Tibbetts Awards

The SBA recognizes companies, organizations, and individuals who exemplify the spirit and intent of the SBIR/STTR programs with the **Tibbetts Awards.** These awards not only recognize the successes but help document the economic, technical, and societal benefits from SBIR/STTR funding.

SBIR · STTR
America's Seed Fund

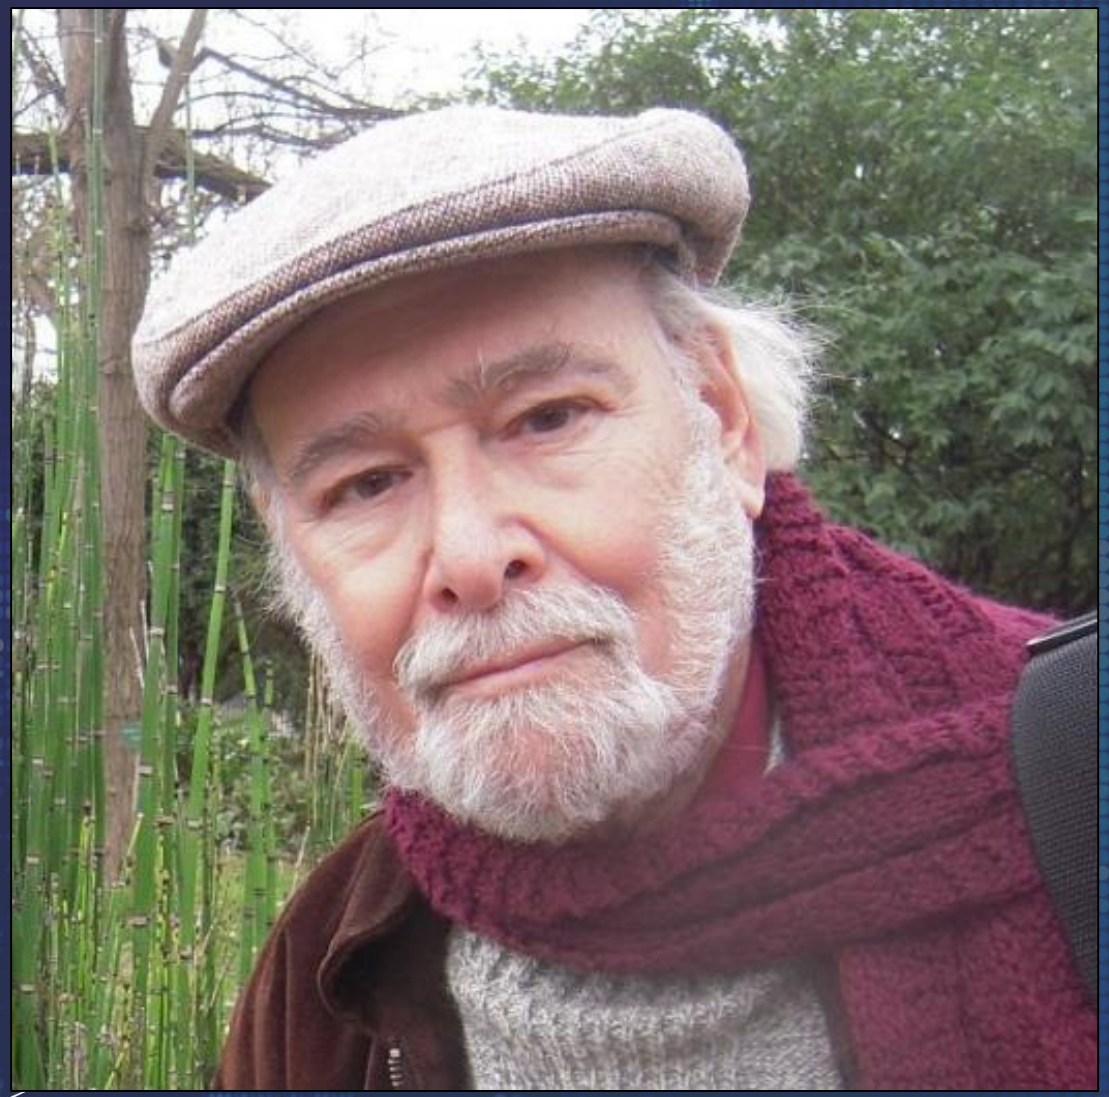
The Tibbetts Awards are presented annually to those who are **beacons of promise** and **models of excellence** in high technology. Winners are selected based on the economic impact of their technological innovation, and the extent to which that innovation:

- served federal R&D needs
- encouraged diverse participation
- increased the commercialization of federal research

Tibbetts Awards

Congratulations to our 2020 Tibbetts Awards Individual Awardee –

Dr. Imre Gyuk



Dr. Gyuk has spent his professional life passionately tackling big problems as a researcher, a teacher, and a leader.

Imre is a visionary who has devoted nearly two decades to the innovation and advancement of energy storage technologies, and connecting diverse, small businesses with federal objectives and resources.

Dr. Gyuk is a truly qualified and deserving recipient of this prestigious award!
